

## Adobe Translation Center Additional Terms

Last updated June 18, 2014. Replaces the May 7, 2012 version in its entirety.

Your use of the Adobe Translation Center is subject to these Additional Terms, which supplement and incorporate into the Adobe.com Terms of Use ("Terms") located at [www.adobe.com/go/terms](http://www.adobe.com/go/terms). Capitalized terms not defined here have the same meaning as defined in the Terms.

In addition to the Terms, you acknowledge that your participation in the Adobe Translation Center project is completely voluntary and that you will not be compensated (monetarily or otherwise) for your participation or your Contributions. "Contributions" means any translations of text strings, software strings, and phrases, comments, Feedback, and other information that you provide to us in connection with the Adobe Translation Center project. Because you will receive the benefits related to the Adobe Translation Center project, you will assign all right, title, and interest in and to the Contribution to us. As owner of the Contributions, we are free to use and distribute the Contributions for any purpose without compensation or acknowledgement to you whatsoever. To the extent you cannot assign the Contributions to us, you grant us an irrevocable, perpetual, exclusive, fully paid up, royalty free, worldwide right and license, with the right to sublicense through multiple tiers, to use, reproduce, display, perform, create derivative works of, distribute and otherwise exploit your Contributions in any manner whatsoever. We make no guarantee or representation that your Contributions will be used. Nothing in these Additional Terms or in your voluntary participation or submission of Contributions creates any employment relationship between you and us.
