

Specialist Certification

Specialist certifications recognize your proficiency in a specific medium: print, web, or video. Adobe Certified Experts (ACE) must pass the current version of all required (R) exams and any one elective (E) within any given certification track. All exams must be the same version, for example, all CS4 or all CS5 to meet the requirements.

	Design Specialist	Web Specialist	Video Specialist	Rich Internet App. Specialist	Technical Comm. Specialist	eLearning Suite Specialist
